

## STEPHEN WALTER

*Vice President of Joeris Group, Inc., General Partner*

Stephen Walter has over 30 years experience in the construction industry, having started as a draftsman with an architecture firm in San Antonio. Since then, Stephen has become intimately involved in the daily operations of Joeris General Contractors. He plays a major role in the acquisition, estimating and project management of all contracts awarded to Joeris. In addition, he actively assists Joeris' president with overall company operations.

Stephen is well-known throughout the construction community for his fairness with owners, architects and subcontractors as well as his high standards of integrity and quality. He is an employee-owner of Joeris General Contractors, Ltd.
